Profile

I am dedicated Computer Science and Engineering student currently pursuing a 3rd-year BE in CSE. Strong foundation in programming, data structures, and algorithms with hands-on experience in Web development, Java and Python.

Education

Bachelor of Engineering, ATMECE, Visvesvaraya Technological University 2023 – present
Current CGPA : **8.67** Mysore, India

Pre University Education, Citizen's PU College, Karnataka State Board. 2021 – 2023
Secured 528 Out of 600 Marks(88%). Nanjangud, India

SSLC, Citizen's State High School, Nanjangud 2020
Secured 78% Nanjangud, India

Technical Skills

- **Programming Languages:** C (Intermediate), Java (Intermediate), Python, JavaScript, SQL.
- **Frameworks & Libraries:** React.js, Node.js, Express.js, FastAPI, Flask, PyTorch, NumPy, Pandas.
- **Developer Tools:** Git, GitHub, Docker, VS Code, PyCharm.
- **Core Subjects:** OOPS (Java), Data Structures & Algorithms, DBMS, Operating Systems, Machine Learning, DevOps.
- **Specialization:** Full-Stack Web Development.

Projects

Skill Bridge Connect — AI Powered Service Marketplace 📄

- Developed a full-stack web platform connecting customers with verified skilled service providers in the gig economy.
- Designed a role-based system (Customer, Worker, Admin) with secure JWT authentication and authorization.
- Integrated AI-powered semantic search using BERT for intelligent skill and service matching.
- Built verified worker profiles with certificate uploads, ratings, and review mechanisms to enhance trust and transparency.
- Developed an admin dashboard for analytics, performance monitoring, and content moderation.
- Focused on real-time coordination and improving reliability over traditional service marketplaces.

Event Management System 📄

- Developed a dynamic event management web application with frontend and backend integration.
- Designed responsive UI using HTML, CSS, and JavaScript.
- Built RESTful APIs using Node.js and Express.js for handling event operations.
- Created and managed MySQL database schema (event_management.sql) for storing event data.
- Implemented server-side configuration and database connectivity.

Certificates

Centum in 2nd PUC Board

Moment of Honour Presented for Centum Achievers held in the year 2022-23 by department of Pre University Education Government of Karnataka.

NPTEL Online Certification

This Certificate is awarded by IIT Kharagpur for successfully completing the course "Programming in Modern C++ " with a consolidated score.

VTU Honours Course

Completion Certification

awarded by VTU – Centre for Online Education for successfully completing the Elite GOLD Honours course “Programming in Java” with 3 credits during the academic year 2025-26.

Courses

Python Programming, Udemy-Online Learning Platform

2025 – present

A Complete bootcamp of Python programming that includes learning Data Science, Automation and building apps, games and 100 Projects.

Full Stack Web Development, Udemy-Online Learning Platform

2024 – present

Enthusiastic in learning Web Development that includes HTML, CSS, JS as Front-End tools and NodeJS, MongoDB, API as Back-End tools.

Programming in Modern C++, Swayam-NPTEL

07/2024 – 10/2024

This course provided an in-depth understanding of advanced C++ concepts, including smart pointers, templates, concurrency, and modern best practices.
